Reference or Case Number

The Foellinger Foundation requests the vacation of a portion of public right-of-way.

Location: The 1st alley north of Wayne Street on the west side of Monroe Street.

Legal: See file

Land Area: Approximately 0.02 acres

Zoning: M-1

Surroundings: This area is zoned M-1.

Reason for Request: Not stated on petition.

Neighborhood Assoc.: Neighborhood Community Group

Comprehensive Plan: No comment.

Neighborhood Plan: No comment.

Landscape: No comment.

Planning Staff Discussion:

This stub alley was left by a previous vacation petition that was approved in 1990. At that time the Foellinger Foundation had petitioned for the vacation of the remainder of this alley to be vacated, but excluded this portion as they did not have ownership of the parcel located at the intersection with Monroe Street. Since that time they have acquired ownership, and seek a vacation of the final portion of this alley.

The alley is not needed for any access concerns, nor does it appear necessary to the continued growth of the city. The only property owner effected by the petition is the petitioner. It appears that there are utilities located overhead, so the petitioner would have to provide either easements or relocations as needed.

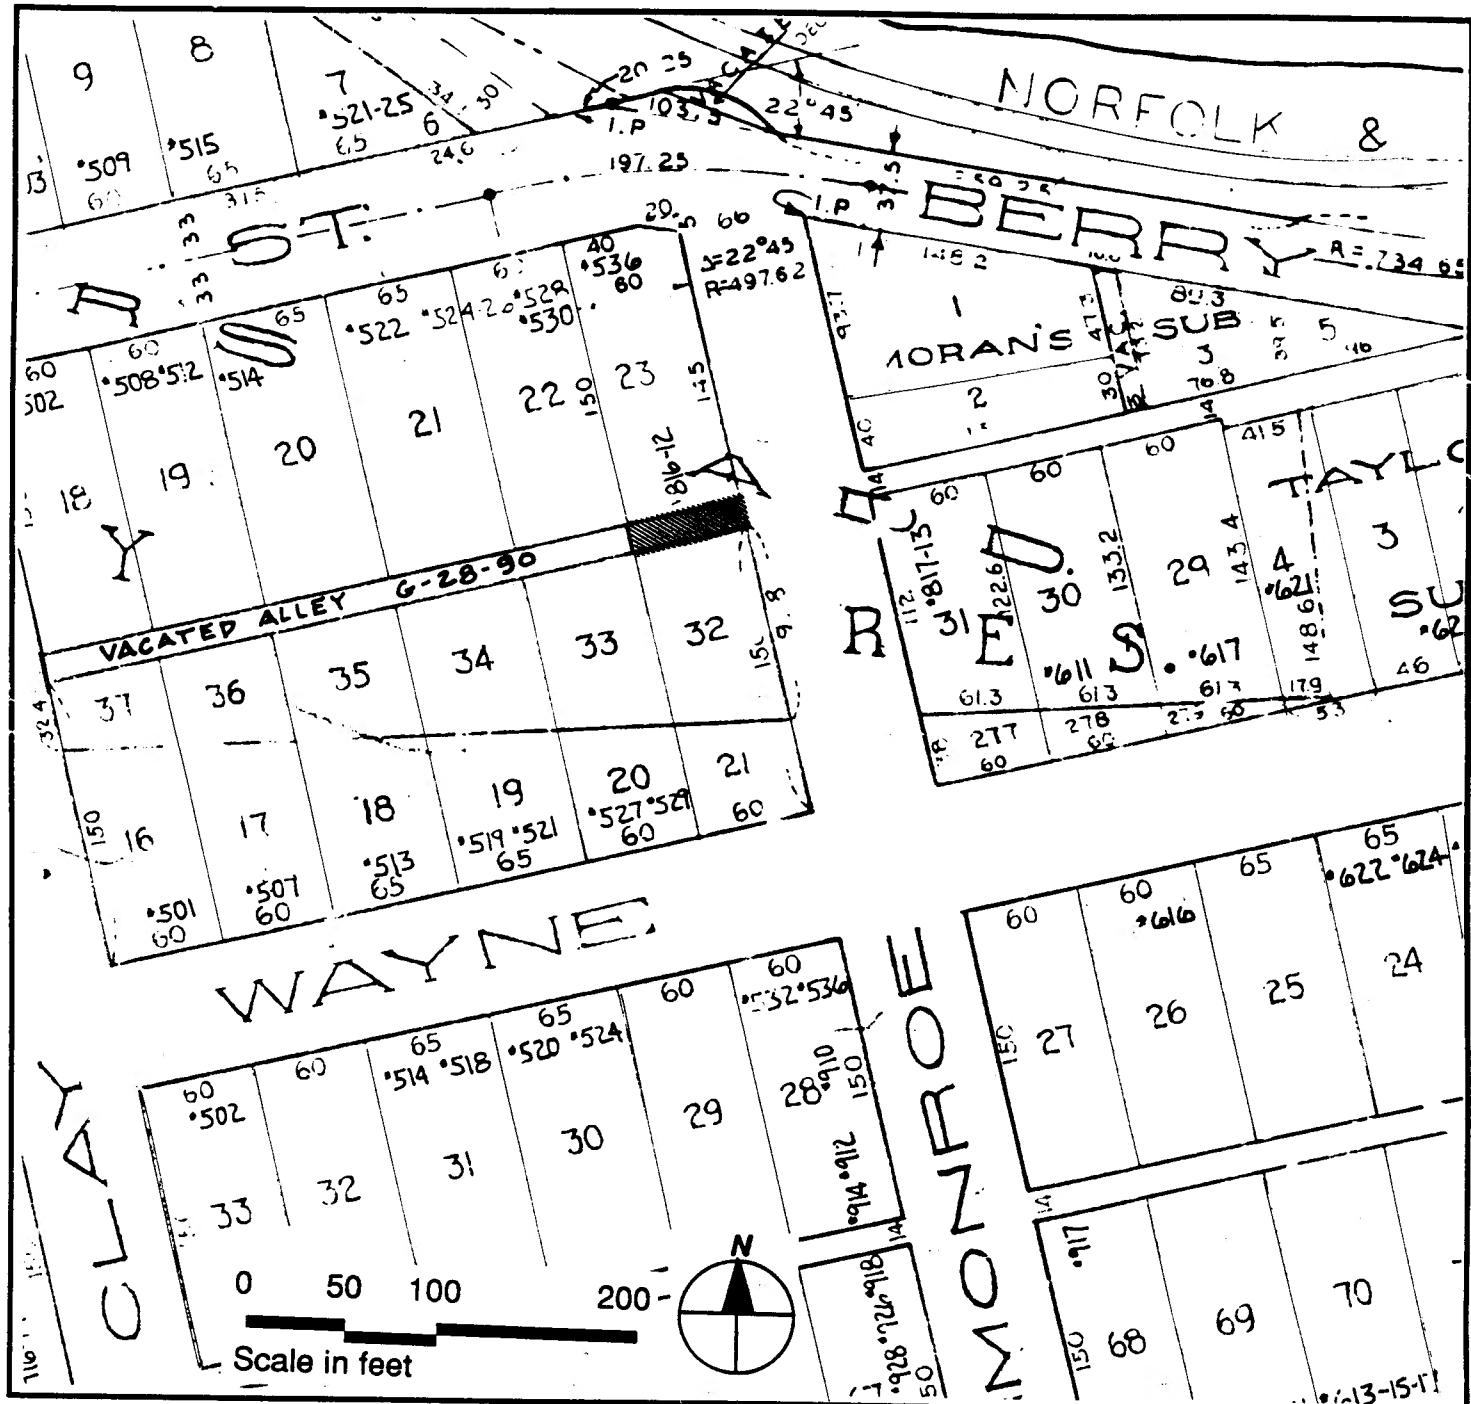

Recommendation: Conditional approval contingent upon the petitioner providing utility easements or relocations as needed, and for the following reasons:

- 1) Approval will not have a negative impact on any adjoining property.
- 2) Approval will not hinder any access to public or private ways or places.
- 3) Approval will eliminate a possible safety concern of maintaining a public alley without an appropriate area for a safe turn around.
